Discretionary Housing Payments (DHP) Claim Form for applicants getting Universal Credit

You may be able to get extra help with your rent if:

- You already receive Universal Credit, but not all of your rent is covered by your entitlement and
- Your circumstances are creating financial difficulties and you need extra help with your housing costs

It is important that you give as much information as possible.

If you are reapplying for a DHP because a previous award has ended, state clearly what steps you have taken to improve your current situation. Include any steps you have taken to look for a new property and/or to find work/increase your hours.

If you do not answer all the questions fully, it will mean there could be a delay in us being able to make a decision about whether we can help you. We may also need to visit you, interview you, or write to you for more information about your answers.

Please do not contact us for eight weeks from when you send the completed form back to the Council, this is to allow enough time to process your claim.
