

NOTICE UNDER SECTIONS 16 AND 17 OF THE LONDON LOCAL AUTHORITIES AND TRANSPORT FOR LONDON ACT 2013

The London Borough of Harrow, under Sections 16 and 17 of the London Local Authorities and Transport for London Act 2013, hereby gives notice of its intention to undertake the installation of Electric Vehicle (EV) Charging Points on Alexandra Avenue. This work is scheduled to take place over a two-week period with notice being given to residents when works are due to commence.

Trojan Energy Limited have been appointed to undertake the installations on behalf of the London Borough of Harrow. Trojan Energy is an EV charge point installer, operator and manufacturer who have developed a charging solution where the charge point sits flat and flush into the ground to reduce street clutter. Unused charge points do not cause any obstructions on the pavement and can be walked over or even driven over. For more information visit <http://trojan.energy>.

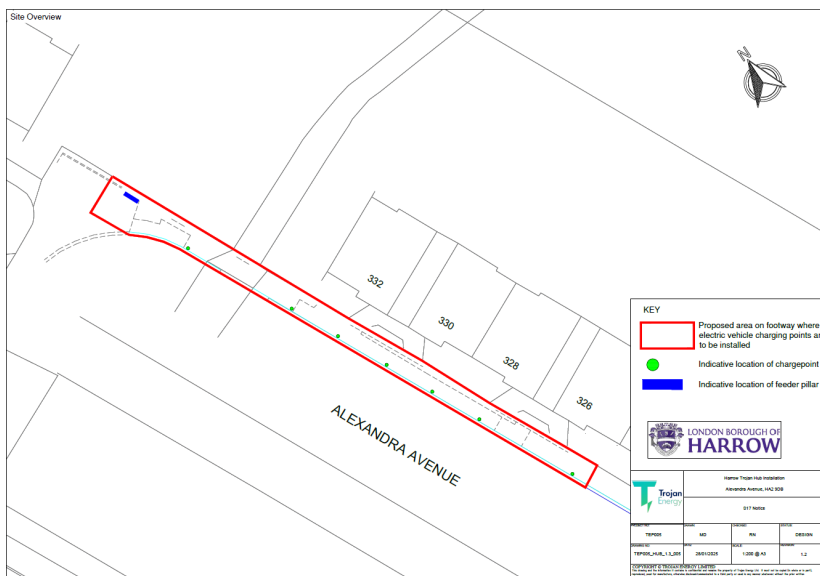

Furthermore, the council intends to install between seven and ten charge points, installed along the street according to the design shown below; this will provide future proofed infrastructure which will support residents in making the transition to more sustainable modes of transport, such as electric and hybrid vehicles.

Following the installation, charge point locations will **not** be designated as 'EV Only' bays; we therefore do not envisage any adverse impacts on your current parking arrangements.

For roads that are within a Controlled Parking Zone (CPZ), all parking restrictions will remain the same and only residents with valid permits will have access to the charge points, as well as visitors that display a valid visitor voucher.

The Trojan Energy system is a future proofed product and will provide the residents of Alexandra Avenue with an efficient and effective on street charging solution for many years to come.

If you wish to make a representation in respect of the proposal, please respond by 5th March 2025. Any representations must be made in writing to the council via email: Transportation@harrow.gov.uk or sent to our offices at: Transportation, London Borough of Harrow, Forward Drive, Harrow, HA3 8FL quoting ref: 25-03 AF.
