The council need to take account of private resident concerns that parking is treated as a cash cow by the council, a way to top up council tax.

Parking permits are just another side tax, and an excuse for the council to charge residents for living here.

Council should instead look much harder at ways to extend capability and reduce cost by using the new wave of AI capability with us today. Now is exactly the time where more can be done for less, and with actual improvements in service quality for Harrow residents.

Stop persecuting car drivers until the revolution in self driving cars arrives, when the goal posts will move again, and car ownership will likely become a thing of the past.

### Part C - Demographics

London Borough of Harrow has a legal responsibility to promote and advance equality. To help us to do this, it is important that we have a good understanding of our communities, how our services are being accessed and who is using or would like to use our services. With up-to-date and accurate information we are able to: Better understand our service users / residents and shape services to meet their specific needs, Identify and address any barriers / issues individuals may experience when accessing our services (including information about our services), Ensure our policies and services are accessible to everyone who uses them. The information will also enable us to monitor our progress with regards to addressing inequality and allow our employees and service users see how we are performing on equality.

Data Protection: It is your choice whether you provide this information. Your replies will not be used in a way that identifies you.
