

Waste Management For Harrow Council

The Trade Waste team is happy to discuss your waste management requirements for any events in Harrow. Event organisers should reach out to us as part of their event application process.

We can provide 1100L wheelie bins, sacks, and cleaning services before or after the event.

Let us know how we can assist.

Please contact us at <https://www.harrow.gov.uk/bins-waste-recycling/trade-waste> or send an email to tradewaste@harrow.gov.uk
